TREASON TRIAL -The trial of OGILVIE BY non Young, charged with treason, was com menced at Cincinnati on Monday. 'The jury was only partly empannelled on that day, and the probability is that not much progress will be made in the trial this week.

WILLIAM M. CORRY, Esq., and Hon. GRORGE E. Pugn were assigned as counsel for the priso ner, and the Court appointed Judge WILLIAM JOHNSTON to assist the U. S. District Attorney, Mr. BALL.

Among the witnesses are Senator GREEN, of Missouri, and L. P. WALKER, Secretary of State for the so-called Southern Confederacy. Letters from both these gentlemen were found in the possession of the accused. The Court ordered an attachment for the Missouri Senator.

MOVEMENT OF TROOPS .- The Sixteenth Ohio Regiment is reported to have left Bellair on Monday night or yesterday morning, and to have gone eastward on the Baltimore and Oblo Railroad. It is also stated that the Fourteenth Regiment, together with the Artillery Company from Cleveland, left Marietta, at about the same time, and went down to Parkersburgh, Va., from which point they proceeded eastward, on the Northwestern Virginia Railroad.

Good.—We met one of our friends yesterday on Broadway, and were astonished at the change in his appearance. A few weeks ago we saw him, he was pale, lean and dejected; complaining of weakness and debility, having been so afflicted all summer. Now he appears to be fat, healthy and strong. We learn he owed his restoration entirely to McLean's Stremothening the Northwestern Virginia Railroad.

GREAT CURE

DR LELAND'S ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia,

AND A SURE CURE FOR All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons; no change in habite of living is required, and it calirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary retief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a most powerful ANTI Miscourial agent, and will entirely relieve the system from the persectious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in agaraxated cases of long standing.

PROF. WOOD'S

BLOOD RENOVATOR Is precisely what its name indicates, for, while pleasant to the taste, it is revivifying, exhitarating. Invigorating and strengthening to the vital powers, and at the same time revivities reinstates, and recews the Blood in all its purity and thus at once restores and renders the system to outneashs to attacks of disease. It is the only preparation ever effered to the world, so classified ally and skillfully combined as to be the most pwerful tonic, and at the same time so perfectly adapted to, as to act in perfect accordance with the are of nature, and hence will soofte the weakest atomach, and tone up the digestive organs, and thus allay all nervous and other irritation. It is perfectly exhilarating, and at the same time it is composed entirely of vegetables, yet so combined as to produce the most thorough tonic effect, without producing any injurious consequences. Such a remedy has long been felt to be a desideratum is the medical world, for it needs no medical skill to see that debility follows all attacks of disease, and proceeds and indeed lays the system open to the insidious attacks of many of the most fatal, such for example, as the following: Consumption, Indigestion, Dyspepsia, Loss of Appetite, Faintness, Nervens Irritability, Neuralcia Palpilation of the Heart, Melancholy, Night Sweats, Languoy, Olddiness, Actention of, as well as Painful obstructed too profuse, or too scant Menstruation, and Falling of the Womb. These all depect upon general debility. This pure, healthy, tonic Cordial and Blood Renovator is as sure to dure as the sum to rise and set. There is no mistake about it. But his is not all. If the system is weakened, we are open to billows attacks, the liver becomes trupid or worse diseased, the kidneys refuse to perform their functions, and we are troubled with scalding and incontinence of urine, or involuntary discharge of the same, pain in the back, side and technique to the system. But such to dilows, and the patient goes down to a pyremature grave. But space will not allow us to enu

colds. coughs, and it unchecked, soon emacisition tollows, and the patient goes down to a premature grave. But space will not allow us to enumerate the many illis to which we are liable in a weakened condition of the system. But we will say, in this Cordial and Blood Renovator you have a perfect mafe, pleasant and effectual remedy for loss of Appetite, Billowsness, Fistulence weak and sick of the stomach, Languor, Liver Complaint. Chills and Fever, or any Billous attack, Coniveness, Acidity of the stomach, Nervounces, Neuralgis, Painitts blood, such as Scrofals, Ergainelas, Brom hitis, Cough, difficulty of Breathing, and all that colaise of diseases called female weakness, and sociase of diseases called female weakness, and sociase of diseases called female weakness, and counterated above. We will also say the traveler exposed to epidemics, change of climate and water, will find it a pleasant, safe and sure remedy and none should ever travel without. Reader, try it for we assure you you will find in it a rised blodged, as well as a friend in need. All persons of sedeniary habits will find it a perfect preventive of as well as cure for those allments to which they are not sedeniary such; will go the new distorters, will find it of the particularly exposed. Hence ministers, students, st foretys, literary gentlemen, and Isdice who are not accustomed to much outdoor exercise, will find it of the content of the world. It is and free from the ihousand silments so prevalent among the female portion of the world. It can be also and the content of t
